Tala,
Attached is the updated Action plan.
Is this correct?

Deliberative Process / Ex. 5

I also caught that they haven't updated the TSCA inventory numbers yet. All the TRI edits are in there, although I haven't checked everything else.

Thanks!
Nancy

Subject: PFAS Action Plan

All,
Attached FYI are the PFAS Action Plan and Response to DOD/NASA/NIH comments incorporating OCSPP input/responses that were transmitted just now to OW.

The plan is for the materials to be transmitted to AAships soon (perhaps even today) for final review in order to achieve the goal of making the plan public in February.

Thanks much to Toni Krasnic, Ryan Schmit and the TRI guys, Larry Reisman, Dave Turk and Dan Bushman for making this happen for us.

Have a great weekend.
Tala
